

Booster Club Meeting 8.19.19

Welcome!

- Only 2 more meetings left

Treasurer Update:

- Statements sent a couple of times for those with Canterbury credits
- The date that I enter the credits is not necessarily the date that you work – I enter the credits as I get the checks – July 28 is the last date credited so far (checks are coming in a bit slow)
- Expensive part of the year as comp fees come due – please stay on top of your bills
- Team dinners will be added to invoice (the dinners on the calendars – each team does 3)

Canterbury – workers were turned away after 2 hours of work, Janelle is going to talk to them about the fact that if we make a commitment to them it is not fair if they don't make that commitment back to us (concessions closed early after the races ended)

Coach Updates – comp updates & schedule

- JV has choreography
 - Oct 12 in Farmington is the first comp (added) – no bus!
- Middle school – comp schedule changed, 1 less comp – will get the calendar updated
